

### Air-brushed enamel

"Reclining Figure" is the title of this air-brushed enamel painting by Harlan Sandidge of Fond du Lac, currently displayed at Oshkosh Public Museum through Feb. 4. Also on display is a series of photographs of Horicon Marsh by Edgar Mueller of Mayville.

## At the galleries

### Reception for artist

Oshkosh Public Museum was the setting for two gatherings Sunday, the Historical Society meeting and a reception for two artists whose work is being shown there. Harlan Sandidge, shown with Mrs. Sandidge, left, and Mrs. Helen Spencer, came here from Fond du Lac to see the former's work hung and meet visitors to the show. Edgar G. Mueller, Mayville, who is showing photographs, was unable to be here.
